**Program Release Information**

CSES ID-No. DLBT100062EN02
Product Name: **Setup Utility For RightFax**
Subject: [Rev.] Setup Utility For RightFax_v1.3.01000

01/02/2010

**1. Release version and download file name**
Following program version is explained in this file.
[Release version]

| Program name | Based version | Release version | Language | Note |
|---|---|---|---|---|
| **Setup Utility For RightFax** | 1.3.00000 | 1.3.01000 | *1 | |

*1: English, German, Spanish, French, Italian

[Download file name]
  - SetupUt_forRightFax_v1.3.01000.zip
    setup.exe : execution file (installer)
    'Readme' folder : Readme file in each language
    'Manual' folder : User's Guide in each language
  - PRI_DLBT1000062EN02 (this file)

Caution:
  Conventionally, the installer made by "Install Shield", has been released as one file, "setup.exe",
which includes all required files for installation.
From now on, the installer form will change into the new form released as two or more files including
"cab form". Please refer to TNBT0900184EN00 for details.
  In addition, since "setup.exe" is only executed as usual in installation, it is not different from former
installation process at all.
